

After-school Clubs

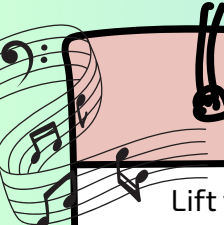

Years 2-5

Adventure Club

Inspired by the spirit of Forest School, Adventure Club is all about exploring the great outdoors, connecting with nature, and letting curiosity lead the way! Rain or shine, children will build confidence, learn outdoor skills, and engage in hands-on discovery. From den building and safe fire lighting to bug hunting and natural crafting, it's a wonderful space for young explorers to thrive in the fresh air.

Choir

Lift your voice and join the harmony! Choir is for anyone who loves to sing, perform, and make music together. Members will learn fun new songs, develop vocal confidence, and work together with a view to performing in school assemblies and out in our local community! It's a wonderful, uplifting space to spread joy, build confidence, and share the gift of music.

Mondays - Multi Sports/ Board Games
Tuesdays - Netball/ Adventure Club
Wednesday - Computing Club
Thursday - Football/ Choir
Friday - Creativity Club/ Bike Club

Board Games

Unleash your inner gamer! From chess and checkers to modern favourites, Miss Green will help children learn new games or enjoy old favourites. School games are provided, or children can bring their own (including Pokémon cards for playing, not trading!). A fun club for strategy and game lovers alike.

Computing Club

Discover, code, and create! In Computing Club, children get hands-on with cutting-edge tech—from programming Sphero BOLT robots and learning code to directing stop-motion animation films and experiencing Virtual Reality (VR). A fun, dynamic environment designed to turn curious minds into confident digital creators!

Creative Club

Time to let imagination lead the way! Creativity Club gives children open access to our wonderful store of art resources to express themselves through both individual projects and collaborative group pieces. From printing, painting and modelling to crafting and pastels, children can experiment with different mediums, try new techniques and make marvellous art in a relaxed, friendly environment. Perfect for every young artist, maker and dreamer
