

After-school Clubs

Years 3-5

Netball

Ready to shoot, pass, and play? Our Netball Club is designed for pupils who love the game or want to learn the ropes, with the exciting goal of building our very own team to represent the school in competitive matches against local schools! If the weather turns wet, the action moves inside for high-energy benchball sessions to keep skills and teamwork sharp.

Bike Club

Ready to build your child's cycling confidence?

Running for the **first half of the Autumn Term** while the weather is at its best, this club is specially designed for **Year 2, Year 3 and Year 4 pupils** who are wobbly on two wheels or can't ride just yet. Using our range of school balance bikes and pedal bikes, we prioritise the trickier skill of balancing first before introducing pedals.

Football

Ready to kick off, pass and score? Our Football Club is designed for girls and boys who love the game or want to refine their skills, with the exciting goal of building our very own team to represent the school in competitive matches against local schools! Please note that **football boots and shin pads are required**. A fantastic way to boost fitness, build strategy and show great sportsmanship!

Multi Sports

Get ready to run, hit, throw, and score! Our Multi-Sports Club offers a fresh, action-packed session every week. Children will get the chance to broaden their horizons and try out a wide variety of sports—from tri-golf, basketball, and pickleball to badminton, cricket, table tennis, and tag rugby. While the exact sport depends on the weather, one thing is always guaranteed: it will be active, inclusive, and heaps of fun!

Mondays - Multi Sports/ Board Games
Tuesdays - Netball/ Adventure Club
Wednesday - Computing Club
Thursday - Football/ Choir
Friday - Creativity Club/ Bike Club
